TECH QUEST - Rule Book
Quiz Competition - Innovation Ignite Symposium
Organized by Department of CSE

Dear Participants,

Welcome to **Tech Quest**, the flagship quiz competition of Innovation Ignite Symposium! This event is designed to test your knowledge of technology trends, industry leaders, innovations, and current technical affairs.

1. Event Overview

Tech Quest is a technology-focused quiz competition featuring:

- Knowledge testing on trending technologies and innovations

- Current affairs about the technical world

- Industry leaders and technological breakthroughs

- Two-phase competition structure

2. Team Formation

- **Team Size:** Exactly 2 members per team

- **Registration:** Teams must register with both members' details

- **Eligibility:** All students can participate

- **Team Changes:** No changes allowed after registration deadline

3. Competition Structure

3.1 Preliminary Round

- **Format:** Written assessment

- **Duration:** 30 minutes

- **Questions:** 30 multiple choice questions

- **Scoring:** Each correct answer = 2 points (Total: 60 points)

- **Qualification:** Top teams advance to finals

Topics Covered:

- Current technology trends (AI, ML, IoT, Blockchain, etc.)

- Tech industry leaders and CEOs

- Recent innovations and breakthroughs

- Technical current affairs (past 12 months)

- Tech company histories and achievements

3.2 Final Round (Main Stage)

Round 1: Tech Trivia (8 minutes)

- 8 questions per team (direct questions)

- 30 seconds per question

- 10 points per correct answer

- No negative marking

- Pass option available (question goes to next team for 5 points)

Round 2: Fastest Minds First (10 minutes)

- 12 questions open to all teams

- Teams raise placards instead of buzzers

- First team acknowledged answers within 20 seconds

- +15 points for correct answer, -5 for incorrect

- No conferring after placard is raised

- Quizmaster's decision is final

Round 3: Advanced Tech Challenge (12 minutes)

- 6 complex scenario-based questions per team

- 60 seconds per question

- 20 points per correct answer

- Teams can discuss before answering

Round 4: Rapid Fire (6 minutes)

- 10 questions in 60 seconds per team

- 5 points per correct answer

- No negative marking

- No conferring

4. General Rules

1. Teams must be present 30 minutes before the event

2. Use of mobile phones or electronic devices is strictly prohibited

3. Quiz master's decision is final

4. In case of ties, additional tiebreaker questions will be asked

5. Participants must maintain discipline throughout the event

6. All team members must participate equally

7. Cheating in any form will lead to immediate disqualification

5. Disqualification Criteria

- Use of unfair means or electronic assistance

- Disrupting other teams

- Not following time limits

- Violation of any competition rules

- Inappropriate behavior or misconduct

6. Contact and support

1. **WhatsApp Support:** Mr Abbu Bakkar Siddik 7022615928

We wish you the best of luck! Bring your tech knowledge and competitive spirit to make Tech Quest an exciting experience.
